PROFESSIONAL EXPERIENCE

Fynd by Reliance | Growth Marketing Specialist

2022 – June 2026

Performance Marketing

- Owned end-to-end paid campaigns across **Google Ads, Meta Ads, and LinkedIn Campaign Manager**, managing audience targeting, messaging, creative strategy, budget allocation, campaign optimization, and performance reporting.
- Managed paid media budgets of up to **₹2L/month** across B2B SaaS and B2C products, optimizing campaigns KPIs including **CTR, CPC, CPL, CPI, ROAS, and conversion rate**.
- Collaborated with design and content teams to develop high-converting ad creatives and landing pages while continuously improving campaign performance through A/B testing.
- Managed and optimized multi-channel paid campaigns, achieving up to **7X ROAS** through data-driven audience targeting, creative testing, and campaign optimization.
- Managed acquisition campaigns for a B2C real-money gaming app, achieving **CPI as low as ₹2** through audience segmentation and campaign optimization.

Lifecycle Marketing

- Built automated workflows, nurture journeys, audience segmentation, and email campaigns using **HubSpot** to improve lead engagement and qualification.
- Executed recurring newsletters with an average **25% open rate**, supporting customer engagement and lead nurturing.
- Managed lead enrichment, behavioral tracking, lifecycle stages, and marketing-to-sales handoff.

Content, SEO & Organic Growth

- Grew GlamAR's LinkedIn page from **0 to 1,500+ followers**, generating **12K+ monthly impressions** organically.
- Built the company's YouTube presence from scratch to **1,300+ subscribers** and **60K+ organic views** through educational and product-focused content.

- Executed on-page SEO including **meta titles, meta descriptions, image alt tags, internal linking, keyword optimization, and landing page optimization**, while supporting off-page SEO through backlink and link-building initiatives.
- Used **Ahrefs** and **SEMrush** for keyword research, competitor analysis, and content optimization to improve organic visibility and inbound traffic.

Sales Enablement

- Built and managed a centralized Sales Enablement Hub in Notion containing case studies, pitch decks, one-pagers, newsletters, and sales collateral.
- Partnered with Product, Sales, and Leadership teams to create marketing assets supporting product launches, enterprise sales, and GTM initiatives.
